Greetings all

TRAINING (Cancelled)

As the number of people training has dropped off drastically it was decided on Thursday evening that there would be no more training until Tuesday 2nd February.

CHRISTMAS PARTY

A very pleasant evening was had by all that attended. Guests were greeted by the very colourful Christmas Fairies. Robyn & Harry scooped the pool as best dressed and the lucky door number. The Kris Kringle bought lots of laughter and swapping of gifts and was enjoy by all. Thanks to Chris & Aileen, you did a great job.

CAROLS ON CULLEN

Well another Carols on Cullen has happened. We did not achieve the whole session on the water as dark clouds; a few flashes of lightning and spots of rain bought us back to dock after half an hour of singing. The CD player did work though, even if it was not loud enough for all to hear at the back of the boat. The NT News came down and took lots and lots of photos before we left, so hopefully there will be something in the paper. Once back on dry land we all headed to Seadogs for something to eat and a few drinks.

PS –CHECK SUNDAY’S PAPER

CYCLONE PROCEDURES FOR THE BOATS

After our last paddle on Thursday December 17th the boats will be secured either side of their present berth place. If by chance we have a Cyclone Warning the boats will be filled with water. (DBNT policy) We will need volunteers to come down and help do this. If you are able to assist please let Pauline Tauschke know – we will need your contact number.

From December 17th 2009 – January 10th 2010 Pauline T will coordinate the cyclone procedures

From January 11th to end of “Wet Season” Colleen Haydon will coordinate the cyclone procedures.
