

## ***SHOPPING CORNER - items of interest to dragons!***

We at **Portable Shade Australia** are pleased to have entered into an agreement with Dragons Abreast Australia to become a preferred supplier of portable shade marquees to members and supporters of Dragons Abreast.

Portable Shade Australia is one of the countries leading supplier of portable shade marquees for the business and leisure industries, our products are of the finest quality and feature:

- anodized aluminium frames to help prevent corrosion
- octagonal leg designs to help prevent sticking
- aluminium frame to provide strength with the convenience of light weight

Our roofs and walls are:

- made from heavy duty polyester material that is waterproofed & UV protected
- we provide either digital or screen printing directly to the material – no sewn on patches

Marquees are available in 6 different sizes from 2m x 2m to 6m hexagonal designs, we also provide a graphic design support at no additional cost.
