

DRAGONS ABREAST AUSTRALIA

Dragons Abreast Australia is a national organization comprised of breast cancer survivors of various ages from a great variety of backgrounds, athletic abilities and interests.

Dragons Abreast was created by a cancer survivor recovering from chemotherapy during the breast cancer month, in October 1998.

The organization is founded on the principles of participation and inclusiveness. Competitive outcome is secondary – the participants are winners simply by being here and able to paddle.

Our aims:

- ✿ Promoting breast cancer awareness and education
- ✿ Proving people can lead a full and active life despite breast cancer
- ✿ Showing breast cancer does not discriminate on the basis of age or race
 - ✿ Giving a “face” to and personalising the statistics
 - ✿ Always encouraging the search for a cure
 - ✿ Providing a message of hope and inspiration

Get fit - Make new friends - Have fun

With the Keyring of Hope

be part of the amazing race for a future without breast cancer!
